## Personalities

**Chris:** Over the past ten years, I have   1   in Berlin, Paris, Barcelona, Rome and Moscow. Recently, I decided to move back to my hometown, Athens, which is the capital city of Greece. I'm not   2   sure if I'll stay for a long time; however, being close to my relatives once again makes me feel happy. I like   3   a lot. I hate living in the same place for too long. I'm really outgoing and communicative. I want to travel to as many countries as possible in order to explore the world and its different cultures and lifestyles. I've made friends from many   4   countries and until now I've managed to keep in touch with most of them. Apart from travelling around the world and making friends, I love listening to rock music and

playing the guitar. I consider myself as a creative and   5   person. I also spend my free time composing and writing my own songs.

**Melanie:** I'm currently living and studying in Vienna. Austria is a very beautiful country and its people are friendly. After getting my   6   degree, I'm planning to return to Greece and start my own dental business. I'm a really   7   woman and I think I'm going to be a great dentist. However, I'm going to   8   Vienna. I've been having so much fun with the new friends that I've made lately. The only problem is that sometimes they   9   me about my German accent. They think it doesn't bother me, but it does. I'm a   10   person.
